Featherweights Will Feature Wilmington Bouts

A new featherweight boxing find from Lomita, Charlie Rodriguez, who has won two fights impressively, will oppose Manuel Cruz of San Pedro in the special event on the amateur fight show at the Wilmington Bowl tomorrow night.

Rodriguez won his spurs for a featured role with two strong preliminary appearances on promoter matchmaker Joe Craig's weekly fight show.

A double main event, featuring middleweights, will top the show when Louie Martinez of Long Beach opposes Sal Amador of San Pedro, and Elmer Buckner of San Pedro squares off against Rudy Gallegos. First match on the preliminary show will begin at 8:30 o'clock.

Richard Jones, who was to have appeared against Sailor Hank Herring last week, cut a lip in training and was unable to keep the date. Craig will match the pair at the first possible opportunity.

Tartars Blank Pilots In Mighty Wake; In League Tie With Pirates

By BILL TOLSON

Playing their best game this season, a hard-hitting Torrance squad took the measure of an equally hard-hitting but outclassed Banning varsity 14-0 on the winners' field Wednesday, Nov. 27.

The score did not tell the full story of how decisive the victory really was. The Tartars used every man on the squad, and even the subs held the Pilots to little gain.

The Tartars drew first blood in the second quarter, when a drive spearheaded by Bill Morgan ended on the 30-yard line. Three plays later Gene Stirling blocked a Banning kick on third down, but Banning recovered the next play. Stirling blocked another kick and recovered it on the 12-yard line. The next play Ralph George went over.

The second touchdown came in the third quarter when George bucked over from the five-yard line.

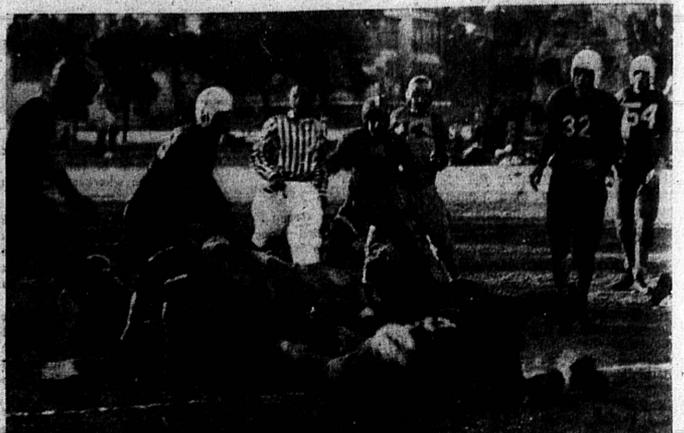

The Pilots threatened at no time during the game, and did not get a first down till the third quarter.

The Tartars played inspired ball and it's hard to single out any outstanding player or players. Jay Stroh and Gene Stirling played terrific ball as usual, rushing the passers and runners so hard that Banning was unable to get started. All of the line played splendid ball, but the greatest improvement of all was in Dick Malin and Dominic Donatoni, the Tartar guards. The center of the line had heretofore been thought of as the weak spot, but Dick and Dominic proved they were the equals of all guards in the league.

Bud Smith, Darrel Comstock and Bob Turner played a great defensive game in the backfield, while Ralph George, Bill Morgan, Tom Faren and Jack Taylor starred on the offensive.

This win put Torrance in a tie for first place with San Pedro. Today Torrance meets an improved Mohican squad at Gardena.

UNDER BUT OVER FOR TOUCHDOWN . . . The above photo partly reveals the man under Banning's strong tackle, Gonzales, to be Torrance's fleetfooted Ralph George who makes his second trip over the goal during the meet here Nov. 27. Gene Stirling, who seems to always figure in a touchdown picture, approaches with a war-whoop from the extreme left, identified in the background to the right with equal joyful faces are Jay R. Stroh, who mawled a niche for himself in this one, and Dominic Donatoni, Tartar powerhouse who usually introduces himself to the opposing squad early in the game.

Mohicans Upset Crippled Gaucho Football Squad

By DICK FRIEND

"All Hall the Green and Hall the Gold of dear old Narbonne High," the Gauchos alma mater, might have sounded a little weak as sung by the Lomita rooters following the defeat of the Gaucho eleven by the Gardena Mohicans, 8 to 0, on the Narbonne pampas last Wednesday.

Wesley Christian, Gaucho quarterback who has pulled the Narbonne squad out of the hole many times with his precision passing, was taken out of the game in the second period due to a serious leg injury.

Halfback Mark Groves stepped into the signal calling spot as the Narbonne hosts attempted to pull ahead of their 6-point handicap. Later in this hectic second period halfback Bill Biller, who has scored many points for the Gauchos, left the green with an injured hip.

Biller also was unable to return for the remainder of the game.

Charles Campbell, Gardena quarterback, was the highlight of the game with his tricky running and expert ball handling.

In the opening minutes of the second period the Mohicans unveiled a drive starting on their own 40-yard line and not stopping to even draw an extra breath until they hit the Gauchos 4-yard line. Campbell took the ball over the goal two plays later for the counter.

As the third period opened, the Narbonne supporters and the alumni, who had met for annual homecoming day, expected to see the squad open up, as they usually do following the halftime rest. With the loss of their signal caller, Christian and fleet-footed halfback Biller, the team wasn't able to click.

Groves, attempting a pass, was rushed and trapped in the end zone, resulting in a safety and giving two more points to the invaders. This brought the score to 8 points for the Mohicans and left the Gauchos holding the bag with a goose-egg.

For those who may be interested in statistics, the Gauchos and the Mohicans ended up with six first downs each. The invaders ran up 52 yards to Narbonne's 40; Gardena attempted nine passes and completed five. Narbonne hurled twenty-two passes and completed nine. The visitors intercepted one of the passes thrown by the Gauchos, who ran up a total of 122 yards passing and running; Gardena ran up 99 yards.

Friday the Gauchos travel to San Pedro for their last game of the season. San Pedro has a strong ball team, and unless the Gauchos work hard this week, the Pilots are likely to come out on top.

Starting lineup was:

Schlagel	LT	Kelley	LT
Charles	LG	Goss	LG

—Scoring: Gardena: Campbell (1); safety: Groves tackled behind the goal.

Gilhausen Bangs In 3 Runs To Ice Oiler Tilt

The Torrance Signal Oilers Sunday twin hit but outran Rawak Candy Company 5-3 in the second round of the Triple A Winter League to mark their fifth victory in six starts in Torrance Park.

The Oilers, trailing into the third inning, grabbed the lead only to find themselves trailing again into the seventh. Rosey Gilhausen, Oiler spark-plug, pinch-hitting for Bill Spaeter with three men aboard bunted a two-bagger deep into center field to unload the bases and put his team out front by two markers.

The 5-3 held from this point on.

Signal Oilers play Los Angeles Police next Sunday in Torrance Park at 2 p.m. The Police were defeated by Torrance during the first round of play last Oct. 27. Since that time Jerry Fridley has added strength to his roster with promises to upset the Signal nine.

Marine League Football Games Played Today

Due to the Los Angeles Coliseum "Milk Bowl" football carnival Saturday, in which Torrance and San Pedro will bolster the Southern team entries, Marine league games scheduled for Friday will be played today, according to an announcement.

The Tartars meet Gardena on the Mohicans reservation at 3:30 p.m. today while the upset Gauchos will attempt to sail the Pirate sea at San Pedro. Narbonne may have the Indian sign on the bus and are likely to repeat their victory of Nov. 1. This will depend mainly on the sailing conditions in the Pirate waters, an old mariner reports.

Drunk Drivers Continue To Pay Heavy Fines

Two persons paid fines totaling \$275 for their plea of guilty to drunk driving in Torrance City Court Friday. Mrs. Evelyn G. Axthelm, 35, Los Angeles, was fined \$125 while Roy Grady, Merced, paid \$150. Judge John Shidler, under the law of the State of California, revoked both drivers' licenses for 30 days.

Arthur L. Yerger, Long Beach, who police say turned his "hot-rod" jumpy over at Abalone ave. and Plaza del Amo early on last week, pleaded not guilty to a charge of drunk driving and trial by jury was set for Jan. 2.

NO MEAT ON MONDAYS?

SAN PEDRO UNION LEADER DEMANDS TORRANCE AREA MEAT MARKETS CLOSE ON MONDAYS

Frank Kresnesky, President of the San Pedro Butcher Union controlling Torrance Area butchers, is demanding that we stop selling you meat on Mondays.

In your interest, responsible retail meat market operators are refusing this dictatorial demand.

Market operators will not conspire with union leaders to deprive you of meat counter service on Mondays. We do not believe these unions have the right to dictate which days of the week you may buy meat or which days market operators may sell you meat.

The meat market operators who have received this union demand for Monday closing have offered their butcher employees the same increased wages and the shorter work week without Monday closing which have been accepted by six other Southern California butcher unions. Frank Kresnesky is a hold-out. He insists upon closing markets from 6:00 P.M. Saturday until 9:00 A.M. Tuesday.

Wages and hours are proper subject for union negotiations. The days a store remains open to serve customers is not a proper subject for union negotiation.

This advertisement is published so the public may be advised of this unreasonable dictatorial union demand which is against the public interest.
